

Message from Rev. Hale

“The wolf shall live with the lamb, the leopard shall lie down with the kid ... and a little child shall lead them.” [Isaiah 11:6...]

There’s a letter of “thanks” giving posted on the bulletin board to your left as you come into church at the back door. It’s from Mia Bennett, one of our Sunday School children in our elementary class. Here’s what Mia wrote to us, back in July.

Dear church family,
I hope you are having a good summer! Thank you for everything, I can’t wait to come back! I miss you so much plus I am pretty sure that I am coming back! Yay! I can’t wait.

Love, Mia B

Can’t you just hear her enthusiasm in what she wrote? Take a moment and stop and read her letter the next time you come in the church and you will see her enthusiasm expressed in the hot pink and purple writing and beautiful flower and happy face!

And here we are, with plans all set to welcome Mia and all our children back to Sunday School, this beautiful “bevy” of kindergarten/pre-school and elementary students gathered into two classes with Bizzy Chaffee and Amy Spehar stepping up to teach them, and Stephanie Hill leading another beautiful “bevy” with a class for adults. We’re following the same mask-required protocol of our schools, as we seek to keep these young children in our care safe, when we begin Sunday School on September 12.

And here we are, celebrating the baptism of Riley Burlingame, sister of Amelia and daughter of Katie and Matthew, on September 19. We will have another celebration that day during worship as well, recognizing the gift of children we have in our midst, another beautiful “bevy” of newborns and pre-schoolers on through the children in the elementary class who will gather in Sunday School this Fall term. We will share in an “abundance” that day!

Thank you, Mia, for bringing us pure joy and thanksgiving with your letter filled with enthusiasm! Thank you God, for reminding us our hearts are where our treasure is....and we so treasure our children, these little ones in our midst who “lead us” on in the mission You set before us.

See you in September.... Yay! I can’t wait!

Thanking God for the life we share together, Marilyn

Mission Committee News

PEACE AND GLOBAL WITNESS OFFERING: It's hard to believe that a year has come and gone since we participated in the Peace and Global Witness Offering, and you, with your generous hearts, helped our church exceed our goal of \$750, giving a total of \$970! So it will come as no surprise that our church will again be participating in the Peace and Global Witness Offering. Your gifts to the Peace and Global Witness Offering will be divided as follows: 25% will be sent to mid councils to unite congregations to support peacemaking in their regions; 50% will be sent to Presbyterian Mission Agency, and 25% will be kept by this church to support a local organization. The Mission Committee has set our goal at \$800. Our portion of the amount, 25%, will again be sent to the African American Center for Cultural Development. The mission of this organization is "*To value, promote and integrate the rich and diverse history and culture of the Southern Tier Region of New York State through the celebration of the talents, lives, and history of the African Americans in the region.*" This offering will run from September 12th through October 3rd (World Communion Sunday) concluding with the collection of (y)our gifts which can be placed in the special offering envelopes. These will be made available to you. **When we all do a little, it adds up to a lot.** (P.S. you will be hearing this phrase throughout this offering.)

HANDS ON MISSION PROJECTS: Have you noticed the baskets and recycling containers as you walk through the Narthex on your way to the Sanctuary? Just to refresh everyone. . .

We are still collecting **Personal Care products** for students at Portville Central School. Items we are collecting include shampoos (for females and males), hair conditioners, deodorants (for both sexes), toothpaste, toothbrushes, lotions, combs and hair brushes. (I found that one of the best places to purchase these items is the Dollar Tree in the Tops Plaza in Olean.)

We are still collecting items for the **Baby Layette Basket**. These items, (sleepers, blankets, bibs, socks, hats, etc.) are packaged up and donated to the Olean General Hospital to be given to those new mothers/parents that are in need.

There is also a container for **empty printer cartridges**. These are collected periodically and turned in at Staples. The church receives a credit on their Staples account for toner and ink cartridges that we turn in at Staples.

And finally there's the **Medicine Bottle collection** receptacle, hanging outside the back entry. So convenient to access as you enter the church or just want to drive by to drop them off. Please remember to remove your labels and clean the bottle. These are eventually sent to Matthew 25 and are redistributed to developing nations.

DONATIONS: The following donations will be made (pending Session approval) from **the Jack Shepherd Mission Fund** (pending Session approval): **Miriam Center for Hope and Healing** – \$500; **Camp Duffield** – \$1000; **Presbyterian Disaster Assistance – Haiti Earthquake Response– OG1000–Haiti** – \$750; from the **Hunger Fund** these donation will be made: **Pfeiffer Nature Center Woods Walk Support** - \$450 (should the event be held this year.); **Portville for Youth** - \$200; from the **Rummage Sale Mission Fund** – the entry fee for members of our congregation that wish to participate in the Woods Walk should the event be held; and lastly from the **Mission Trip Fund** – to BonaResponds – \$2000 to assist with costs incurred by the local community in connection with hosting Remote Area Medical.

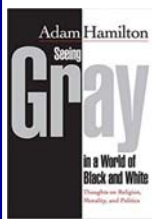

Did you know? There are 5 members of our congregation who hold various offices on the district and state levels in the Order of the Eastern Star. Cyndy Kennedy–District Deputy Grand Matron; Steve Langworthy – District Grand Lecturer; Mike Kessler – Grand Patron of New York State; Jean Kessler – Grand Chaplain of New York State; and Mary Langworthy – Grand Adah of New York State.

Newsletter? Joys and Concerns? Or Both?

During our months of virtual services, Julie Pagett came up with the idea of the **Joys and Concerns** publication as a way to keep us all connected. And as you know, once in-person services resumed this publication stopped. Having heard through the proverbial "grapevine" that some were missing this connection to their church family. Therefore, if the way be clear, Julie has agreed to taking up the tasks of creating it again (Yea!!). However, **Joys and Concerns** will be published on the months opposite the newsletter. This way you will be receiving the that desired connection and what our church and committees have been up to. Julie will send out reminders of when pictures and your news will be due.

If you do not want to continue receiving the newsletter, drop Cso an email and ask to be removed from that email list. Some goes for **Joys and Concerns**, please let Julie know, using the church email, to remove you from her list.
